 Leeds, England

About Me

I am a full-stack developer with experience in both front-end and back-end technologies, having recently completed a coding traineeship through IT Career Switch. During my traineeship, I successfully built real-world projects including a map-based application (Gazetteer) and a company personnel database (Company Directory), showcasing my ability to develop responsive and functional applications.

Skills

- Teamwork
- Communication
- Taking initiative
- Problem solving
- Critical Thinking

Education

- **Bachelor of Science**
Leeds Beckett University 2017 - 2020
Sport, Physical Activity and Health
- **Coding course**
Codecademy 2022 - 2023
Full Stack Engineer
- **Coding course**
IT Career Switch 2023 - 2024
Full Stack Developer

Experience

- **Sports Centre Operative and Personal Trainer**
Beckett Sport 2019 - ongoing
Ensured the smooth operation of sporting events and daily bookings for the indoor sports halls and outdoor facilities. Used online software to keep track of tasks and maintenance issues. Pool-side lifeguarding. Provided gym inductions to new members of the sports centre. Provided free health screening and consultations for members on request.
- **Full Stack Developer Trainee**
IT Career Switch 2023- 2024
I have graduated this 1 year course and at the end of it I created 2 websites that I added to my portfolio. Throughout the course I learned multiple languages for front and back-end development.

Tech stack

- **Front End**
HTML, CSS, JavaScript, React
- **Back End**
PHP, Python, Node.js
- **Libraries and version control**
Bootstrap, Leaflet, JQuery, Git, GitHub
